RE: Testimonial for Berzins Designs

We are pleased to provide the following testimonial for Berzins Designs:

Berzins Designs provided all of the furniture, fixtures, and equipment (FF&E) for our new Firelight Lodge (65 suites) at Silver Star Mountain Resort.

Tammi, Carley, and the team were professional, very well organized, flexible, and a pleasure to work with. Their attention to detail minimized the issues on site and ensured that our project was completed on schedule.

We do not hesitate to recommend their work to others and look forward to the possibility of working together again in the future.

Regards,
